ALFREDO DI ROMA®

A restaurant of authentic Italian cuisine that has shared with the world its extraordinary original recipe, handed down through three generations of the Di Lelio family since 1908: the Fettuccine Alfredo.

In 1996, Alfredo Di Roma® opened its doors in Mexico City, inviting us to discover a splendid selection of soups, pastas, risottos, fish, meats and desserts.

AU PIED DE COCHON®

Au Pied de Cochon® was born in Paris in 1947 at the Les Halles market with one purpose in mind: to feed the workers in the area.

The restaurant became famous for its great onion soup as well as its pork dishes, and a 24-hour non-stop service.

Years later, Grupo Presidente® brought this concept to Mexico City, offering the traditional French cuisine that has been Au Pied de Cochon's hallmark for more than 20 years.

Chapulín® is a tribute to the history and flavors of our country. An extraordinary journey that tells the story of the hard work in the Mexican fields and seas, honoring the communities and hands that work them.

Water, earth, and fire: A cold seafood bar, a griddle of clay and stone, and plenty of open flames will make you experience aromas that embrace you and prepare you to travel from north to south, across different regions of Mexico.
